Geography Bee Overview

Who does this benefit?

The Bee is sponsored by the Thetford Historical Society. Proceeds are earmarked for collection preservation at the Society's Hughes Barn Museum, located on Route 113 in Thetford.

How will the contest be conducted?

There will be at two divisions, based on age/grade level. A Youth division will include grades 5-8, and an adult division for teams grade 9 and older.

What is the format?

The questions will be based on all geographical aspects (physical, cultural, political etc.) of

Vermont's Critters

Questions are read aloud simultaneously to all teams in a division, alternating between Youth and Adult. The questions, 30 per division, are in a multiple choice format (A, B, C, and D). Teams hold up pre-printed cards to signify their answer. Correct responses are tallied to determine the winner and runner-up teams for each division.

Prizes will be presented to winning teams of each division. In the event of a tie, a playoff round of five questions will be held.

How can we participate?

Fill out and return the registration form (on the back of this sheet) to:

Thetford Historical Society
PO Box 33
Thetford, VT 05074

Make copies if needed. The registration fee is \$30 per team. Checks should be made payable to Thetford Historical Society. ****Again this year - Youth Team Registrations FREE!****

Pre-registration is helpful, so that we may plan for seating and other team set-up needs. Please include your registration fee with your registration, and make sure you provide contact information for your team, so that we may confirm receipt of your registration.

We welcome spectators, and would love to fill the room! If you plan to bring supporters, please remind them that they must watch quietly and not offer hints, no matter how tempting.
